FRENCH FRIES & ONION STRINGS

our famous french fries

My father opened a hamburger chain in the Chicago area in the late '40s. I loved the burgers and really loved the fries. There is nothing like fresh hand-cut fries. Enjoy! Don.

Home of the Original Broasted Chicken

In my neighborhood growing up, Sunday was broasted chicken night. The chicken was made in a pressure fryer and was always juicy and moist. Pressure frying seals in the natural flavor and seals out the oil. Nothing is better than fried chicken that has lower carbs, fewer calories and tastes great.
