

Don's Clubhouse Kids

I have always enjoyed showing children around the restaurant. I have been doing it so long that some are now bringing their children to Don & Charlie's. I have created this menu for my friends 12 and under. I invite you to join the club and get neat prizes. Join today and you will receive your card. Visit 5 times and we will take your picture and put it on this menu. Wednesdays will be family night and any of the "clubhouse kids" coming in with their parents can have anything on the clubhouse menu free of charge. Make Wednesdays your night at Don & Charlie's. Get your card punched anytime you visit and earn great prizes. Of course I want to see you come in any night of the week. Wednesday's will always be on me, any other time, Mom and Dad.

Best Wishes,

Don Carson
