Greetings and cheers to the cooler weather!

I am writing this because Matt & I have decided not to re-open Mosaic. We would like to sincerely thank all of you who have shared so many special times with us and supported us in our culinary adventures. You have helped us make Mosaic what it is and we greatly appreciate your patronage.

We are closing Mosaic because we have decided it is the right time for us to move on and look to new horizons. We have enjoyed this amazing experience and know that now is the time for us to refocus our lives together. These past eight years have flown by and have been quite a roller coaster. From our opening in July of 2001 to now, we have accomplished so much and learned even more. Thank you all for getting on this wild ride with us! It has been so exciting and rewarding.

We would like to thank our passionate and committed staff members who have helped make Mosaic what it is. Over the years, we have met and worked with so many talented and loyal people who shared our vision of fine dining and our belief in Mosaic. Without them, none of this would have been possible. Special thanks to our most recent and long standing crew, kitchen as well as Front of the House people, whose professionalism tempered with a warm welcome & enthusiasm have made Mosaic such a special place.** Thank You.

Most especially, thanks to you, our guests. We have been honored to share in so many special moments and celebrations. We hope Mosaic has touched your lives in memorable ways and that you will always have fond recollections of special times spent here. Thank you for believing in us and supporting us. We sincerely appreciate you and know that you are who made Mosaic possible.

We will be keeping the web-site and e-mail active so please feel free to contact us there. The main phone line will be active until November. You will also be hearing from Matt in his own words shortly.

Thank you. We have loved the opportunity to create the Mosaic dining experience for you. Best wishes of fabulous food, delicious wines and even better company to you all.

Heartfelt thanks,
Deborah Knight
